3. Interest automatically charged at rate of 6% per annum, computed monthly on past due accounts.
4. Lacking specific shipping instructions, we will use our own judgment for which we can assume no liability. We naturally prefer Railway Express insured carriers.
5. All shipments leaving our warehouses are packed to arrive at destination in good condition if properly handled by the carrier. Claims for goods damaged in transit MUST be originated by the consignee to the transportation company and should be made AT ONCE upon receipt of same.
6. Great care is exercised to label all stock true to name. In event of error, however, our liability is limited to free replacement or refund of purchase price.

Our stock is two year old, field grown, budded on the best of understock and is carefully dug and graded to assure you of the best quality.

To establish your price on bare root Non-Patented Roses use volume total of all roses ordered. For instance, if you order 150 Non-Patented and 360 Patented Roses you will be charged the 500 rate on the Non-Patented varieties. THIS APPLIES ON ORDERS FOR 10 OR MORE OF A KIND ONLY.

Prices for Non-Patented Roses (Bare Root)

Full color 5" x 7" rose pictures for each variety on your order furnished on REQUEST ONLY. FOR YOUR CONVENIENCE IN POTTING, all #1 and #1½ grade roses, both Patented and Non-Patented, now individually labeled.

Prices of Patented Roses (Bare Root)

The price of No. 1 grade is as quoted for each individual variety. The price of the No. 1½ grade is twenty per cent less than the No. 1 grade price. The quantity rate of patented varieties is determined by the number of each variety ordered, rather than the total of all varieties. No. 2 grade roses offered only where shown. *Less than 5 of 1 kind of patent roses will be priced at the retail rate less 25%.*

Because of the additional labor that would be involved at an already extremely busy period, our No. 1½ Grade cannot be ready for shipment until late December or early January.

All patented roses are grown under License from the various patent holders.

RECOLLECTIONS

and a word of Thanks to our many Loyal Friends

It is now forty-one years since I, starting out with only fifty dollars and a borrowed horse, planted my first 25,000 roses along the friendly shores of Lake Erie known for its fine growing conditions and where the pioneer Nurserymen of America, in the early years of the 19th century, established one of the most renowned nursery centers in the world.

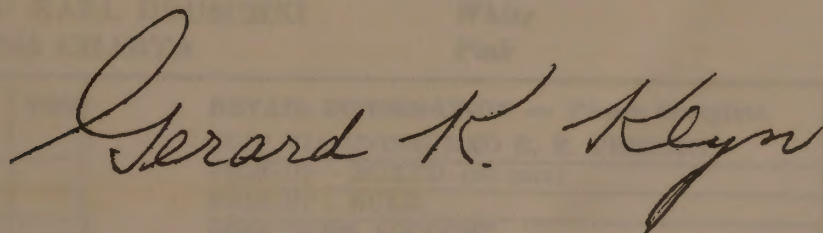

With the help and understanding of Mrs. Klyn, the prospect of establishing a reliable nursery business became more encouraging as the years went by. Of course, an eight hour work day was unknown — sixteen hours a day was more like it! When I think back to the equipment we used, it makes me wonder "How did we do it"?

Now our original five acres have increased to five hundred on which to grow the many hundreds of thousands of roses, half a million Taxus, the newest in Rhododendrons and Azaleas and many other choice nursery items now being shipped all over the United States. Instead of a borrowed horse, there are now fifteen tractors and bulldozers, plus the most powerful spray machinery and all the other power equipment so necessary for insect, pest and weed control.

You will realize it is not a one-man job any more. The passing years have seen changes in myself and our nursery. The spade has long ago become too heavy, and the rows much longer to walk. Now my sons, Jerry, Jr. and Jack, with their capable personnel have taken over. GeeKay, or the "Old Man" as they call him now, just walks around thinking about the years gone by, and wishing he were 41 years younger and meeting another challenge.

Thanks to all our friends and customers and faithful employees who made Gerard K. Klyn, Inc. what it is today. I am confident that each and every one connected with the organization will endeavor to maintain its enviable reputation.

Gratefully yours,

NURSERICANS

We are an accredited distributor for Lerio Nursericans, Keiding Art Pots and manufacture our own Super Asphalt Pots. The former are metal cans of four sizes painted green with a push out or a solid bottom carrying prices as shown below. The Keiding pots are of heavy pressed and molded paper and are available in a number of sizes. They have been in test at our nursery for several seasons now but claims for their usefulness as containers for potted shrubs, trees, roses, etc., vary from six to ten months on top of the ground. Asphalt pots are of comparable grade to several other types now available.

GENERAL INFORMATION (Cont.)

POTTED ROSES

We are well equipped to either pot your roses for immediate pick up or delivery or bring them on into leaf or bud for May and June sale. We use a heavy loam mixed with Michigan peat moss and rotted cow manure and the soil is treated under U. S. Dept. of Agriculture supervision to comply with the Japanese beetle quarantine. Delivery costs are extra and vary from \$.05 to \$.10 each on distances of 20 miles to 250 miles from Mentor depending on quantity loads. For economy's sake we suggest orders for less than 500 plants be picked up rather than delivery attempted.

AVOID DISAPPOINTMENT

Order early in advance of your selling season! Again this past year many of our good customers were surprised (in March and April) to learn our Rhododendrons and Azaleas were sold out by Nov. 15!! Other items such as Magnolias, Euonymous Vegetus and Japanese Maples were sold out at least two months before shipping season. Order your needs now — from a complete stock list!

Order early to avoid disappointment — better still — visit our fields and A. A. R. S. test garden on a personally conducted tour. Our stock sells on sight and seeing it will convince *you*.

IDENTIFY YOUR ORGANIZATION

When placing your order by mail, please give the name under which you operate. IMPORTANT!! When offering your check or money order, be sure and identify the signature with your organization to insure credit to the proper account. It is also helpful if you include your statement, or indicate in some manner the INVOICE NUMBERS covered, with your payment.
